EXEMPLAR CARE WILL BE PROVIDING ON-SITE COVID-19 TESTING AT IOWA EVENTS CENTER ON SEPTEMBER 10TH 2021 ON BEHALF OF THE USA / CANADA LIONS LEADERSHIP FORUM. TESTING WILL BE AVAILABLE BETWEEN 12:30PM – 5:30PM. PLEASE COMPLETE THE STEPS BELOW TO REGISTER FOR YOUR COVID-19 TEST.

1. REGISTRATION: Navigate to our online website: [Iowa Events Center Lions Leadership Forum COVID-19 Testing](#)
2. LOCATION – Select Testing will take place on-site at the Iowa Events Center during the USA / Canada Lions Leadership Forum. The booking link will state **WEST DES MOINES** as resulting is linked to this clinic
3. TEST TYPE – Select test type required, the following tests are being offered for testing on-site at Iowa Events Center

PCR TESTING (NASAL OR NASOPHARYNGEAL)

- **Cost:** \$90
 - **Results Available:** *Within 24 hours for travelers. Normal turnaround time is from 24-48 hours.*
 - Considered the gold standard, and accepted for international travel
 - FDA Compliance: This test has received Emergency Use Authorization (EUA) from the FDA
- Polymerase Chain Reaction (PCR) tests are molecular tests used as a diagnostic test to show if a person has an active coronavirus infection and should take steps to quarantine or isolate themselves from others. This test is administered as an **anterior nasal swab** OR a **nasopharyngeal swab**

RAPID ANTIGEN TESTING

- **Cost:** \$65
 - **Results Available:** 1 hour or less
 - **FDA Compliance:** This test has received Emergency Use Authorization (EUA) from the FDA
- COVID-19 Rapid Testing is now available. Antigen COVID-19 tests detect proteins from the virus. Antigen tests are very specific for the virus but are not as sensitive as molecular tests. This means that a positive result is highly accurate, but a negative result does not rule out infection. This test is administered as a nasal swab. We are using the BD Veritor system antigen testing.
