NEW ADDITIONS TO THE EXHIBIT AREA

CINDY GREGG, EXHIBITS CHAIRPERSON

While many of you are anxiously preparing for the upcoming holiday season, the 2023 USA/Canada Lions Leadership Forum Committee is actively preparing to make next year's Forum the best ever.

Last month, David Wentworth wrote about the importance of gaining sponsorships and becoming a Friend of the Forum. Exhibitors, too, help to offset the cost of Forum registrations.

This year, the exhibits will be located in the Reno Ballroom, along with the Forum Store, our sponsors, and some of the larger seminars, including Lions University Graduation. This is located across the street from the Silver Legacy, where most of the seminars will occur, and our venue is on the way to the Reno Events Center where our General Sessions and meals will be held.

We are excited to see the return of some of our faithful exhibitors, and to welcome some new ones. Furthermore, all of Lions International's exhibits will be located at the "Lions International Experience" in Ballroom 2. Besides chatting with the LCIF staff, GAT, and other staff members, this is where you can meet the North American Directors to schedule them for a visit to your district.

You'll also want to take advantage of the early registration fee for Louisville by visiting their booth in the front of Ballroom 6. (I believe that many of you will also want to purchase a raffle ticket for a Kentucky long rifle. After all, that would look perfect above your fireplace!)

New to our exhibit area this year is a Scavenger Hunt, where you will visit various exhibitors to get a stamp on a special Exhibitors' Card that you will receive in your registration packet! Once your card is filled with the stamps, you will then be entered into a drawing for a special prize. Read this summer's Forum newsletters to learn additional details about the Scavenger Hunt and to see a complete listing of our Exhibitors.

We're looking forward to greeting you at the Row next September 21-23. In the meantime, I hope that your holidays are safe and full of wonderful memories.

A MESSAGE FROM OUR GENERAL CHAIR JAMA WAHL

Lions and LEOs,

Lions are a multi-cultural group. We celebrate many different holidays during the upcoming weeks. No matter which holiday is celebrated, several involve the giving of gifts. Finding just the right gift for family and friends can be daunting. Lately, I have heard, "Give the gift of an experience. Make memories that can last a lifetime." Well, the USA/Canada Lions Leadership Forum has done just that.

A Forum registration can be purchased as a gift for someone else by going to www.lionsforum.org. Imagine giving another Lion or LEO a gift to experience this amazing leadership development event, taking home with them ideas and skills that will impact their experience not only as a Lion, but for those we serve.

Service to others is key to being a Lion. Why not give a gift that will open many doors to service in our communities, build new and lasting relationships with other similarly-minded individuals and provide the basis for leadership and membership development?

We want to see you Reno!
