FEATURED SPEAKERS

Mission: REACH FOR THE STARS

Dr. Larry DeLucas

Astronaut • Optometrist • Scientist

As NASA's first civilian scientist-astronaut and a pioneer in space-based biomedical research, Dr. DeLucas reminds us that curiosity and innovation can change the world. From conducting groundbreaking experiments aboard Space Shuttle *Columbia* to advancing cancer & vision research, his journey proves that every great mission begins with the courage to explore.
Be inspired to think bigger, dream farther, and never stop discovering.

Mission: INNOVATE

Katie Stagliano-Rios

Founder, Katie's Krops

One nine-year-old girl. One cabbage. One simple act of kindness. That single seed grew into a movement that has provided nearly **one million pounds of fresh produce** to people facing hunger while empowering thousands of young leaders to serve their communities. Katie's story is a powerful reminder that the smallest acts of service can grow into extraordinary change.
Discover how one person truly can change the world.

Mission: INSPIRE

Manoj Shah

International President

Mark Lyon

LCIF Chairperson

Hear firsthand how Lions are transforming lives around the globe through service, leadership, and the incredible work of Lions Clubs International Foundation.

Learn how every club—and every Lion—can create lasting impact in their own community while becoming part of something much bigger.

See how your service connects to a worldwide mission.

Mission: IMPACT

Jay Blake

Founder, Follow A Dream

When Jay Blake lost his eyesight at age 31, many assumed his racing career was over. Instead, he became the world's only totally blind crew chief in professional drag racing. Through powerful stories filled with humor, determination, and unforgettable lessons, Jay demonstrates that vision isn't measured by what you see—it's measured by what you believe is possible.
Leave believing that your greatest challenges can become your greatest opportunities.
